

# SCMS Annual Report 2016

---

## MISSION STATEMENT:

The Seminole County Medical Society (SCMS) is a non-profit organization that represents physicians who reside or practice in Seminole County. The SCMS provides its physician members with a strong voice and active representation in local and state government, with regulatory agencies, and in community activities. SCMS serves as an advocate for patients and physicians in promoting public health and ensuring high standards in medical care, education and ethics.
